Recorded Symposia CME Access

The below courses are approved for **1 AMA PRA Category 1 Credit(s)[™]**.

The AAMA Education Committee has been tasked with not only developing continuing education activities, but in formats that may allow members more access to education opportunities. On this page is a list of archived recordings of previously delivered presentations from prior Symposia that are available for review and to obtain CME credit. Earning credits is as easy as reviewing the course material and receiving a passing grade from an online quiz.
